## Reading Plans

We believe spending time reading God's Word daily is a critical discipleship activity for ALL Christians. For 2024 we are offering three plans you may want to consider. If one of these does not meet your needs, there are many more plans offered on-line or in apps like "YouVersion." *The important thing is to spend time in the Word daily.*

### Bible In a Year

With this plan you will read a selection from both the Old and New Testaments and a passage from Psalms/Proverbs each day, completing the entire Bible by New Years Eve. In total you will read an average of about three chapters each day. *This is the plan the LRBC staff recommends be used, if at all possible.*

New Testament in a Year: If you want something shorter you could choose to read only the New Testament selections from the *Bible in a Year* plan to complete it in one year.

### Entire Bible In Two Years

This is a continuation of the plan to read the entire Bible in two-years by alternating readings from the Old and New Testaments in the order they appear in our Bible which was started in 2023. You will usually read one or two chapters a day. We plan to restart it in 2025, so if you begin this year you will still be able to finish reading the entire Bible.

### Family Reading Plan

This plan presents a shorter passage of scripture that would be ideal for use in a family devotional setting or by children and youth. Each day's reading is usually a chapter or less; it can be read and discussed in less than 15 minutes.

**Enjoy God's Word.**
